OFFICE OF THE SECRETARY, Jan. 26, 1911.

*To the Honorable Senate and the House of Representatives :—*

I have the honor to submit, in compliance with the Revised Laws, chapter 5, section 10, a report of the transactions of this office for the year ending Nov. 30, 1910 (being the nineteenth annual), including the returns of the number of liquor licenses granted by the several cities and towns, the amount received for such licenses, and the votes of the cities and towns on the question of granting them; also the returns of the sheriffs of the several counties of money received by them and of their attendance upon a court of record and the county commissioners.

There is also presented, in compliance with the statute of 1905, chapter 321, abstract and tabular statements of the returns of the clerks of the superior court for the several counties and the clerk of the superior court for civil business in the county of Suffolk; of the number of jury cases, of jury waived cases and of equity suits pending at the beginning of the year; of the number of each of said three classes of cases entered during the year; of the number of cases of each class actually tried during the year; of the number of cases of each class disposed of during the year by agreement of the parties or by order of the court; of the number of cases of each class remaining untried at the end of the year; of the number of cases wherein the verdict of the jury has been set aside by the court on the ground that it is excessive; and of the number of days during which the court has sat in each county for the hearing of each of said three classes of cases.

## RECEIPTS AND EXPENDITURES.

The following table shows, in detail, the receipts from fees, etc., all of which were paid into the treasury monthly, and quarterly reports thereof made to the Governor and Council, as required by Revised Laws, chapter 5, section 1:—

Commissions, . . . . .	\$13,280 00
Corporation certificates, . . . . .	113,920 53
Limited partnerships, . . . . .	61 00
Pedlers' licenses, . . . . .	13,156 00
Coal and coke licenses, . . . . .	3,157 00
Sale of books, etc., . . . . .	2,532 25
Sale of Bradford Histories, . . . . .	139 00
Sale of Blue Books, . . . . .	1,044 25
Labels, trade-marks, etc., . . . . .	762 00
Interest, . . . . .	225 31
Miscellaneous:—	
Certificates, . . . . .	\$886 25
Military Records, . . . . .	202 00
Copies, . . . . .	1,308 50
Advance sheets, . . . . .	296 00
	<hr/>
	2,692 75
	<hr/>
	\$150,970 09

The receipts were less by \$4,301.53 than those of the year immediately preceding, but more than \$22,000 greater than those of any other preceding year. The falling off is due chiefly to a decrease in the income from corporation certificates.

The total expenses for salaries and incidentals during the year were \$48,731.01, from which it appears that there was turned into the treasury of the Commonwealth over \$102,000 more than the office expenses.

#### COMMISSIONS.

The number of commissions issued during the year ending Nov. 30, 1910, was 2,923 (an increase of 133 over the preceding year), of which 267 were without fee, and 94 became void by reason of the failure of the appointees to take out the commissions or to qualify thereunder. The different classes were as follows:—

Justices of the peace, . . . . .	1,413
Notaries public, . . . . .	1,119
Commissioners, trustees, etc., . . . . .	162
Special commissioners, . . . . .	49
Justices of the peace to solemnize marriages, . . . . .	38
Clerks, municipal, police and district courts, . . . . .	22
Justices of the peace to issue warrants and take bail, . . . . .	14

Masters in chancery, . . . . .	13
Special District Police officers, . . . . .	11
Commissioners in other States, . . . . .	11
Public warehousemen, . . . . .	10
Justices and special justices of municipal, police and district courts, . . . . .	9
Medical examiners, . . . . .	9
Commissioners in foreign countries, . . . . .	6
Associate medical examiners, . . . . .	6
Trial justices, . . . . .	5
Pilots, . . . . .	4
Commissioners to qualify public officers, . . . . .	3
District Police officers, . . . . .	3
Public administrators, . . . . .	3
State inspectors of health, . . . . .	2
Associate justices of the superior court, . . . . .	2
Commissioner of Public Records, . . . . .	1
Commissioner of Weights and Measures, . . . . .	1
Chief of the Cattle Bureau, . . . . .	1
Member of the Licensing Board of the City of Boston, . . . . .	1
District attorney, . . . . .	1
Commissioner of State Aid and Pensions, . . . . .	1
Deputy Commissioner of State Aid and Pensions, . . . . .	1
Sheriff, . . . . .	1
Private hospital for insane, . . . . .	1

---

 2,923

Certificates to the number of 3,756 were issued. Fees were remitted for 544.

#### CORPORATIONS.

The total number of certificates of incorporation issued under general laws to new corporations for the fiscal year ending Nov. 30, 1910, was 1,570, — a decrease of 136, as compared with the fiscal year ending Nov. 30, 1909. They are classified as follows: —

Trading corporations (under chapter 437, Acts of 1903), . . . . .	1,268
Religious, charitable, social, educational, musical, athletic, etc., corporations (under Revised Laws, chapter 125, section 6), . . . . .	220
Fraternal beneficiary corporations (under Revised Laws, chapter 119), . . . . .	35
Churches (under Revised Laws, chapter 36, section 51), . . . . .	12
Trust companies (under chapter 374, Acts of 1904), . . . . .	8
Co-operative banks (under Revised Laws, chapter 114), . . . . .	8
Credit unions (under chapter 419, Acts of 1909), . . . . .	6

Public service corporations (under Revised Laws, chapter 110, section 20), . . . . .	5
Savings banks (under chapter 590, Acts of 1908 and chapter 491, Acts of 1909), . . . . .	2
Insurance companies (under chapter 576, Acts of 1907), . . . . .	2
Assessment insurance company (under Revised Laws, chapter 120), . . . . .	1
Assessment insurance company, reincorporated as stock company (under chapter 576, Acts of 1907), . . . . .	1
Street railway company (under chapter 463, part III., Acts of 1906), . . . . .	1
Horticultural society (under Revised Laws, chapter 124, section 19), . . . . .	1

The number of miscellaneous certificates filed and recorded was 8,476, — an increase of 445, as compared with the fiscal year ending Nov. 30, 1909. Of these, 6,047 were certificates of condition of Massachusetts corporations (under section 51, chapter 110 of the Revised Laws, and section 45, chapter 437, Acts of 1903); 1,268 were articles of organization of trading corporations (under chapter 437, Acts of 1903); 277 were certificates of religious, charitable, social and other organizations (under chapter 125 of the Revised Laws); 293 were certificates of issue of capital stock of trading corporations (under chapter 437, Acts of 1903); and the others were distributed among 38 different classes.

The number of miscellaneous certificates filed and not recorded was 2,236, of which 2,064 were certificates of condition of foreign corporations (under chapter 126 of the Revised Laws and section 66 of chapter 437, Acts of 1903), and the others were divided among 12 other classes.

There were issued 16 certificates of change of name of corporations (under chapter 163, Acts of 1908).

Returns were received of the dissolution of 55 corporations by the supreme judicial and superior courts.

Under the act relating to the incorporation of clubs, 2 certificates of incorporation which had been issued to clubs were declared void, upon evidence that the premises of the clubs were used for illegal purposes; and charters were refused in 28 cases.

Details of all these statistics appear in the Abstract of Certificates of Corporations, published by this office (Public Document, No. 10).

Limited partnership certificates to the number of 61 were filed and recorded.

## LABELS, TRADE-MARKS, ETC.

By chapter 72, section 7, Revised Laws, which relates to the adoption and registration of labels, trade-marks, stamps and forms of advertisement, the duty is placed upon the Secretary of the Commonwealth of receiving, filing and recording such labels, etc., and of issuing and recording certificates of record. Under this law, labels, trade-marks, stamps and forms of advertisement were received and certificates of record issued and recorded in 382 cases.

## INSIGNIA OF SOCIETIES AND LABOR UNIONS.

Chapter 335, Acts of 1904, provides for the registration in this office of the insignia, ribbons, badges, rosettes, buttons and emblems of societies, associations and labor unions. Three registrations were received, which have been included with the number of labels above given under section 7, chapter 72, Revised Laws.

## MARKS AND DEVICES ON CANS, ETC.

By chapter 72, section 15, Revised Laws, which provides for the protection of owners of cans, bottles, boxes, siphons and fountains used in the sale of soda water, mineral and aerated waters, ale, beer, ginger ale or similar beverages, it is made the duty of the Secretary of the Commonwealth to receive and file descriptions of marks, devices, etc.; and under this law 11 such descriptions were received and filed. Under section 19 of said chapter 72, Revised Laws, protecting dealers and consumers against the unlawful use and destruction of milk cans, jugs, bottles or jars, 13 descriptions of marks, devices, etc., were received and filed.

The volumes of record and filing cases for corporations, limited partnerships, trade-marks, insignia of societies and labor unions, and the descriptions of marks and devices on milk cans and receptacles for other beverages, have now reached such bulk that it is urgent to provide more room for the proper care and accessibility to the public of those that are to be hereafter received.

The casing and files installed in the corporation division during the year 1910 will not much more than provide for record matter received during the year 1911.

## VITAL STATISTICS.

The returns of births and marriages from the various cities and towns for the year 1909, which were received in 1910, cover 84,039 births and 29,002 marriages, — a decrease, as compared with the returns of 1908, of 2,872 births and an increase of 1,931 marriages.

Under the provisions of an act of 1903, chapter 305, there were received from Dec. 1, 1909, to Nov. 30, 1910, 60,655 certified copies of records of deaths. This number includes duplicates and still-births, which are eliminated in the tables of the registration report (Public Document, No. 1).

The medical examiners' returns for 1909 cover 4,613 cases, — an increase of 331, as compared with the returns for 1908.

The returns by the clerks of the courts of the decrees of divorce for 1909 number 2,366, being an increase of 231, as compared with the returns for 1908.

All of these figures are compiled and presented fully in the sixty-sixth registration report (Public Document, No. 1).

In my last annual report I recommended such legislation as would enable registration officers to conform with the requirements which are declared necessary by the United States Census Bureau in order to obtain a satisfactory statement of causes of death; and in compliance therewith the Legislature passed an act (chapter 322) by which the fourth paragraph of section 1 of chapter 29 of the Revised Laws is amended by inserting after the word "death," in the sixth line of said paragraph, the words, "defined so that it can be classified under the international classification of causes of death."

## THE ARCHIVES.

The number of visitors during the year was 2,657; the number of inquiries for military records, 626; the number of certificates of military service issued, 202; the number of written inquiries upon historical and miscellaneous subjects, 113; the number of certified copies from the legislative records and miscellaneous collection issued, 204. The amount of fees received for military records was \$202; for copies, \$125.25; making a total of \$327.25.

No new work in the way of compilations from the records or indexing on a large scale has been undertaken during the year,

insufficiency of filing space, as stated in the last report, preventing. New and improved tables of contents and name indexes have been made for the volumes in the manuscript collection which have been rebound. The reduced working force is sufficiently employed in waiting upon and giving assistance to visitors, and in making researches for information, historical or otherwise, requested by persons at a distance.

Five volumes of the manuscript collection have been well and substantially rebound, the separate documents having been cleaned, dampened and pressed, and tipped with silk hinges on the bond paper leaves. In addition, thirteen volumes of printed legislative enactments — Early Acts — necessary for consultation have been rebound.

The number of visitors to the registration room during the year was 5,469. There were issued 296 certificates of births, 425 certificates of marriages and 273 certificates of deaths, making a total of 994 certificates. The amount of fees received was \$83.25.

There have been received and deposited in the registration room, under the provisions of chapter 470, Acts of 1902, 11 volumes of manuscript copies of records of births, marriages and deaths in towns prior to 1850. The volumes received comprise the vital records of the following towns: Athol, Bolton, Danvers (Vol. 2), Haverhill (Vol. 1), Natick, Tisbury, Warren, Wayland, Weymouth (2 volumes) and Wrentham (Vol. 1).

I must reiterate that there is a crying necessity for more room for the archives and records. There will shortly be delivered to the Archives Division 108 volumes of death returns. In addition there will be 13 volumes of returns of marriages and additional entries. The shelf room was exhausted three years ago, and there are several hundred volumes of death returns in compartments under the shelves.

#### DOCUMENT DIVISION.

There were printed under the direction of this office, during the year, in the Public Document series (numbering 84 different reports), 225,800 volumes, — an increase of 26,000 volumes. Of this number, 201,431 were distributed, being supplied to members of the General Court, to cities and towns, public officers, libraries, and to the general public.

In addition to the Public Document series, there were printed and distributed 20,000 copies of the pamphlet edition of the laws; 9,500 copies of the Blue Book; 13,500 copies of the Manual for the General Court; 1,816 copies of the term reports (volumes 202, 203, 204 and 205); 1,000 copies each of the Senate and House Journals; and there were also received and distributed 3,000 copies of Supplement to the Revised Laws; 1,200 copies of Special Laws (volume 20); 5,000 copies of the Census Report, 1905 (volume 2); 2,500 copies of the Census Report, 1905 (volume 4); 5,000 copies of Supplement to Laws relating to Elections; 750 copies of the Forty-fourth Annual Encampment, Department of Massachusetts, G. A. R.; 500 copies of the Minute Men of '61; 1,000 copies of Monuments, Tablets and other Memorials; 2,000 copies of Winslow Memorial; 3,000 copies of Banks Memorial; 500 copies each of the Vital Records of Athol, Bolton, Danvers (volume 2), Haverhill (volume 1), Natick, Tisbury, Warren, Wayland, Weymouth (volumes 1 and 2) and Wrentham (volume 1), making a grand total of 302,066, — an increase of 30,450 over the year 1909, — which have passed through the Document Division during the year.

#### DISTRIBUTION OF THE BLUE BOOK.

Chapter 80 of the Acts of 1910 requires that the Secretary of the Commonwealth shall, in addition to the former distribution of the Blue Book edition of the Acts and Resolves, send one copy to each city and town treasurer and auditor, and, upon application, to the chairman of each board of city and town officials elected by the voters of the city or town. As the Legislature neither authorized an increase in the edition, nor made any appropriation therefor, I was unable to comply fully with this law. It will be remembered that the Legislature of 1909, acting upon the recommendation of a commission specially charged with the duty of submitting "suggestions for greater economy" in the printing and distribution of legislative and public documents, reduced the edition of the Blue Book from 12,000 to 9,500. In proceeding under the act of 1910 it was found that the number of copies required for town and city treasurers is 354; the number required for auditors, 510; making a total of 864. The number of elective boards of city and town officials each of whose chairmen would

be entitled to a copy upon application is estimated at 2,478, it being found that the average number of such boards is seven to each municipality. A requisition from a single town received during the year covers ten such boards. This makes a total addition of 3,342 to the former distribution. The former official distribution required 8,006 books; the number required to supply paying customers is about 1,000, making 9,000; so that to have enough copies to comply with the new law the total number to be printed would not only increase the edition to its former size, but add several hundred more. As the Blue Book of 1910 costs \$1.15 per copy for paper, printing and binding, the expense would be at least \$3,000. In my judgment, this increase is unnecessary. In the first place, the laws and resolves are printed and distributed to all officials requiring their use as soon as they are signed by the Governor, and any person can purchase these advance sheets for the session at a nominal charge of \$2. Second, these laws are printed from time to time, under contract, in the "Boston Daily Advertiser." Third, a pamphlet edition of 20,000 copies is sent to every city and town clerk for free public distribution, and many of these are left untouched. In my opinion, there is not a sufficient reason for an increase in the edition of the Blue Book at present, and I therefore recommend the repeal of chapter 80 of the Acts of 1910.

#### DISPOSITION OF EXCESS OF PUBLIC DOCUMENTS.

About ten years ago a clearance was made of a large quantity of books of the Public Document series, so called, which had accumulated for many years. Again there is an excess, which occupies space in our storerooms now absolutely necessary for later editions. To relieve this congestion, I recommend that action be now taken similar to that of the Legislature of 1901, which passed a resolve (chapter 92) authorizing the Secretary of the Commonwealth to make such disposition of the public documents and other documents in his charge, stored in the State House, as he deemed advisable, subject to the approval of the Governor and Council.

I trust that this matter, and also that of providing more space for the archives and for the corporation division of this office may receive prompt and favorable action.

## TOWNS DISCARDING PUBLIC DOCUMENTS.

Under the provisions of chapter 422 of the Acts of 1908, "An Act relative to the distribution of public documents to cities and towns," nine towns have voted not to receive the series of public documents; and upon the recommendation of the Commissioner of Public Records, who reports that, in his opinion, such towns are unable to make suitable provision for the care and use of such documents, this office has during the year discontinued sending them to the following towns: Becket, Granville, Hatfield, Heath, Leverett, Plainfield, Southampton, Tolland and Wilbraham. These, added to those previously discarding the public document series, make eighteen towns to which these books are not sent.

## STATE PRINTING.

The cost of printing Public Documents in 1910, including the Manual, Blue Book and Journals, was \$40,223.76, — an increase of over \$2,700 over that of 1909. The most expensive single report in the Public Document series was that of the Board of Agriculture, — \$5,740.15, — a decrease of about \$650 over the amount for 1909. The report of the Bank Commissioner cost \$5,494.66, — an increase of about \$750 over the amount for 1909. The report of the Railroad Commissioners cost \$4,965.80, — a decrease of about \$200 over that of 1909. Six new documents were added to the list this year. Public Document, No. 90, List of the Officials and Employees of the Commonwealth, cost \$3,588.24. Public Document, No. 79, Comparative Financial Statistics of Cities and Towns, issued by the Director of the Bureau of Statistics, cost \$3,089.91. The least expensive report was that of the Commission on War Records, which cost \$7.68. The Blue Book cost \$8,549.15, — a decrease of about \$100 over that of last year. The Manual cost \$4,797.61; the Senate Journal, \$1,637.59; the House Journal, \$2,062.17, — an increase of \$200 over that of last year. The Senate printing bill was \$11,133.35 and the House printing \$27,713.42, — an increase of \$300 in the Senate printing bill and an increase of \$4,000 in the House printing bill. The cost of printing the official ballots was \$9,480.84, — an increase of \$1,500 over the amount for 1909.

## PEDLERS' LICENSES.

There were issued to hawkers and pedlers during the twelve months December, 1909, to November, inclusive, of 1910, under the provisions of chapter 65, Revised Laws, as amended by chapter 531, Acts of 1902, chapter 432, Acts of 1903, chapters 204 and 377, Acts of 1905, chapters 151 and 345, Acts of 1906, and chapter 571, Acts of 1907, 1,296 licenses, — a decrease of 264 over the year 1909. Of this number, 240 were for the State, 482 for counties and 1,574 for cities and towns.

Four itinerant vendors' State licenses were issued.

The number of transfers of licenses was 102.

## COAL AND COKE LICENSES.

The number of licenses issued for the sale of coal and coke between Dec. 1, 1909, and Nov. 30, 1910, inclusive, under the provisions of chapter 484, Acts of 1903, as amended by chapter 434, Acts of 1906, was 790 in cities and 114 in towns, — a total of 904. Fees were received for the continuance of 2,253 licenses under the provisions of chapter 434, Acts of 1906, — an increase of 589 over the year 1909.

## CHANGES OF NAMES.

The returns of 660 names changed in 1909, as decreed by the several probate courts, were received and filed, in compliance with the requirements of the Revised Laws, chapter 154, section 14, and published in the Blue Book.

## RETURNS UNDER THE "LOBBY ACT."

Under what is known as the "lobby act" (Revised Laws, chapter 3, sections 23 to 32, inclusive), 375 entries were made upon the dockets of legislative counsel and agents, — a decrease of 30, as compared with 1909. Returns were received at this office covering 362 of these entries. Of those received, it became the duty of the Secretary to transmit 28 to the Attorney-General for his information, 10 of them appearing to be irregular or defective, and the 18 others being received after the expiration of the time limit. The 13 cases of delinquency were reported to the Attorney-General, as required by law.

## PROCLAMATIONS.

The usual Thanksgiving and Arbor Day proclamations were printed and distributed under the direction of this office. Of the Thanksgiving proclamation, about 3,000 were sent by mail to churches and about 100 to institutions; and of the Arbor Day proclamation, 1,050 were distributed by mail.

## PARDONS, REQUISITIONS, ETC.

The number of pardons made out and issued during the year 1910, was 48; requisitions upon other States, 52; warrants issued upon requisitions from other States, 25; remander to Massachusetts Reformatory of paroled prisoner, 1; parole from State Prison, 1; commutation of sentence, 1.

## NATURALIZATION RETURNS.

Under provisions of the Revised Laws, chapter 166, section 17, returns were received of the naturalization of 832 persons before the various courts of the Commonwealth during the year 1909, — an increase of 149, as compared with the returns for 1908. These returns were indexed and bound in convenient form for reference, as required by law.

## ACCEPTANCE OR REJECTION OF ACTS.

By the passage of chapter 483 of the Acts of 1910 it becomes the duty of the Secretary of the Commonwealth to prepare each year a report showing the aggregate vote, both affirmative and negative, on every act or part of an act which shall have been referred by the General Court for acceptance or rejection to the voters of the Commonwealth or of any part thereof, or to the city council of any city. Such a report is in preparation, and will be published, as required by law, in the Acts and Resolves of 1911.

## MISCELLANEOUS.

As required by law, returns of the Surveyor-General of Lumber of the various kinds and quantities of lumber surveyed and the amount of fees received by him and his deputies in the year 1909 were received and filed.

The three special reports from this office which form a part of the Public Document series, namely, Returns of Births, Marriages and Deaths (Public Document, No. 1), Abstract of Certificates of Corporations (Public Document, No. 10), and Returns of Assessed Polls, Registered Voters and Persons who Voted, etc. (Public Document, No. 43), have been made, as required by law.
